Sources: Population source: "2009 Population Trends," Washington State Office of Financial Management, Forecasting Division, September 2009; Juvenile arrests: compiled from data provided by WASPC, WUCR Program; runaways taken into protective custody and curfew violators reported to UCR are not included in the arrest totals.

* Data include juveniles under the age of 10.

Note: A number of cities are on full law enforcement contracts with other agencies; arrests for these cities, therefore, are included in the total arrests for the respective contracted agency (e.g., Hatton, Lind and Washtucna are on contract with the Adams County S.O.). Therefore, cities who are on full law enforcement contracts do not appear on the list of non-reporting agencies.

** The Office of Insurance Commissioner conducts insurance fraud investigations and is a reporting agency to the WUCR.
