Reasons why rules on this subject may be needed and what they might accomplish:
The purpose for the changes is to consolidate the Negative Actions and Character, Competence, and Suitability Rules related to background checks for Home and Community Services (HCS), Residential Services (RCS), and Developmental Disabilities Administration (DDA). The consolidated list will provide better clarity and understanding for the public and contracted entities, reduce the amount of WAC language, and help preserve the health and safety of our clients.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:
The Developmental Disabilities Administration (DDA) and the Aging and Long-Term Support Administration (ALTSA) will collaborate and coordinate with the DSHS Background Check Central Unit (BCCU) to consolidate and coordination rules related to negative actions and Character, Competence, and Suitability Reviews including chapter 388-06 WAC, chapter 388-71 WAC, chapter 388-76 WAC, chapter 388-78A WAC, chapter 388-97 WAC, chapter 388-101 WAC, chapter 388-825 WAC, and other related chapters as may be required.
