

## EXIT EXAM – Family Preservation Services - Deliverables Module

Name \_\_\_\_\_

Date \_\_\_\_\_

1. FPS is available to families at SUBSTANTIAL RISK of out of home placement.  
TRUE            FALSE
2. Which of the following are the values and beliefs of FPS? Choose all that apply.
  - A. Children should be raised by their own families whenever possible.
  - B. Interventions should focus on family strengths and be responsive to the family's needs and culture.
  - C. Child safety is the number one priority always.
  - D. Participation in FPS is voluntary.
  - E. All families can learn, grow, and change.
  - F. Families are partners in the FPS intervention and are seen as the experts on their family.
3. The NCFAS should be administered at what points in the intervention? Choose all that apply.
  - A. At the beginning.
  - B. After 10 visits with the family.
  - C. At the end of the FPS intervention.
  - D. At the four month mark, post-intervention, at the time booster sessions are offered.
  - E. By the social worker, at the time of case closure or case transfer.
4. FPS therapists, or their designated back-up, must be available to client families 24 hours a day, 7 days a week, excluding holidays.  
TRUE            FALSE
5. FPS therapists must make face to face contact with families within 48 hours of the referral.  
TRUE            FALSE
6. FPS therapists will receive safety plans from the social worker. If no safety plan exists, the FPS therapist will develop one with the family and will review it with the family every two weeks.  
TRUE            FALSE
7. FPS therapists are expected to have contact with the social worker at least weekly.  
TRUE            FALSE
8. Which of the following statements apply to FPS service plans? Choose all that apply.
  - A. They are due to the social worker within 20 calendar days.

- B. They must be developed in partnership with the family.
- C. They are unique to the family's needs, wishes, and goals.
- D. They utilize the family's strengths.
- E. They include input from the social worker.
- F. They address the identified issues.
- G. They are clear, realistic, and achievable.
- H. They include signatures from all family members involved in the case (including children under 13, if they so desire), as well as the therapist.
- I. They may change as the family's situation changes.

9. A key component of FPS is the connection of family members to appropriate community-based resources.

TRUE FALSE

10. Concrete goods and services may be authorized for up to \$500.00 and require prior approval from the social worker.

TRUE FALSE

11. In addition to the regular contact with the social worker, FPS therapists must notify the social worker when any of the following occur. Choose all that apply.

- A. The family wants to meet at McDonalds instead of at their home.
- B. The family moves.
- C. The family misses an appointment with the FPS therapist or other service/treatment providers.
- D. A child in the family is home from school with an illness for more than one day.
- E. New safety concerns are discovered.
- F. Someone in the family dies.
- G. The family is unwilling to meet.
- H. An unusual incident has occurred.

12. FPS therapists must take care to keep good documentation of all activities and actions occurring during the FPS intervention.

TRUE FALSE

13. The FPS therapist must submit a Monthly Status Report to the Fiduciary Specialist each month, within 15 days of the end of each month.

TRUE FALSE

14. A fulltime FPS caseload should average no more than 12 cases at a time.

TRUE FALSE

15. FPS services may be authorized for a maximum of six months, but the actual length of the intervention will vary by the number of hours spent with the family.

TRUE FALSE
