Subject: ESA'S 2008 DSHS ADMINISTRATIVE POLICY 7.01 PLAN AND
PROGRESS REPORT

I am pleased to submit our 2008 7.01 Plan and Progress Report. Our Plan and Report includes plans from the Division of Child Support and the Community Services Division and identifies our tribal liaisons.

The updated 7.01 policy has been helpful in making these plans more focused on identifying issues and improving services to tribal members. Our report shows progress in building working relationships between tribes and our local offices to improve services to tribal clients. We continue making progress in working with Tribes and Indian organizations and I am committed to maintaining and enhancing this progress.

We appreciate the efforts of IPSS to provide 7.01 policy training and assistance in developing effective working relationships between ESA and the Tribes and recognized Indian organizations.

If you have any questions regarding this Plan and Report, please contact Sarah Colleen Sotomish at 360-725-4661.
