

There is **nothing** to do around here.

I am so bored.

My friends are **no fun**.

Nothing **exciting** ever happens in **my life**.

There is **no place** to go.

My life is a drag.

Never underestimate the power of boredom. It is why the drug meth has become one of the most dangerous drug problems in America. Learn more about the effects of this addictive drug.

Kids who try Meth
try to tell you first.

Please visit our web site at:
www.drugfree.org/meth.
And start listening to what
your kids are really trying to
tell you.
