EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal years 2009, 2010, or 2011, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: This department was directed to implement, effective July 26, 2009 (Senate Bill 5547), changes to eligibility for respite for individuals participating in the Individual and Family services Program. It is necessary to file the emergency rule to prevent clients or potential clients from being wrongly found ineligible for services or benefits. A CR101 is being filed concurrently with this emergency rule to begin the regular rulemaking process.
