060 - M2 - WD - FACILITIES ONE-TIME COSTS

Agency Submittal: 11-2017-19-YR Agency Req

Budget Period: 2017-19

SUMMARY

The Department of Social and Health Services (DSHS) requests one-time funding of \$25,616,000 (\$19,792,000 GF-State) in the 2017-19 Biennium for one-time relocation and project costs to support the DSHS Leased Facilities Strategic Plan. Of that amount, it is requested that \$12,961,000 (\$10,049,000 GF-State) is appropriated to the Economic Services Administration.

PROBLEM STATEMENT

The DSHS Leased Facilities Strategic Plan was developed in the spring 2016. This plan is included in the Office of Financial Management's (OFM) 2017-23 Six-Year Facilities Plan as defined by RCW 43.82.055, which is due to the legislature January 1, 2017. The DSHS strategic plan incorporates modernization strategies to accommodate increasing space needs for the Aging and Long Term Services Administration (AL TSA), Developmental Disabilities Administration (DDA), and Children's Administration (CA), while minimizing requests for increased leased space. Modernization requires upfront cost. Most of DSHS' furniture is outdated and not suitable for reconfigurations that would allow for more efficient and productive office layouts while providing appropriate workspace for DSHS staff who:

- ▶ Provide food assistance, child support collection, child care, transition to work services, and disability support.
- ▶ Provide a safe environment for vulnerable adults to access home and community-based services and quality nursing facilities and other settings.
- ▶ Provide successful mental health services in community settings and successful chemical dependency inpatient and outpatient treatment, recovery and prevention services.
- ▶ Keep children safe, strengthen families and support foster children in their communities.
- ▶ Provide a safe, high-quality, array of home, community and facility-based residential services and employment supports.
- ▶ Provide community and institutional services to juvenile offenders that are evidence-based and focused on work and education.

DSHS strives to provide employees with a healthy, safe, and sustainable work environment. Safety of our employees is necessary to provide quality customer service to our clients. DSHS also has a goal of providing a safe environment for customers who must feel secure when coming to our offices for assistance.
