

Childrens Administration
010 - M2 - WW - ONE-TIME LEASE PROJECT REQUEST

Agency Submittal: 2015-17 Final 2017 Sup

Budget Period: 2015-17

SUMMARY

The Department of Social and Health Services (DSHS) requests \$1,929,000 (\$1,697,000 GF-State) in the 2017 Supplemental to fund one-time costs associated with projects originally planned for Fiscal Year 2016 that will not be completed until Fiscal Year 2017. Of this amount, it is requested that \$1,397,000 (\$1,363,000 GF-State) is appropriated to the Children’s Administration.

PROBLEM STATEMENT

The 2015-21 Six-Year plan included several DSHS leased facilities projects that were planned for completion in Fiscal Year 2016. The solicitation process for new space is very time consuming, as is the permitting and construction process. Unused Fiscal Year 2016 one-time project funds were returned to the General Fund. As a result, several projects are in progress but will not be completed until Fiscal Year 2017 and funding is required to ensure project completion.

EXPECTED RESULTS

Completion of these projects will enable multiple DSHS programs to continue providing critical services in appropriate client catchment areas, in facilities that are healthy and safe for clients and staff. All of these projects are already in progress and included in the 2015-21 Six-year Facilities Plan. Funding of this decision package will enable DSHS to complete these projects within budget. Funding this request will prevent any negative impact on client services.
