# Outreach Toolkit

Dementia Action Collaborative Listening Sessions 2023

## Overview

This toolkit is designed to help partners of the Dementia Action Collaborative use in their outreach efforts to encourage participation in the DAC listening sessions. Please use the materials in this toolkit to reach the intended target audience – people living with dementia and their family/friend caregivers or care partners and/or people who help them.

### Email Message to Share with Communities

**Are you, or a family member, living with memory loss or dementia? Do you work with people living with dementia?**

If so, your voices matter! Washington State's [Dementia Action Collaborative](#) (DAC) is hosting several **virtual listening sessions**. The DAC wants to hear about the special challenges that people living with dementia and their families face today, and ideas for addressing those challenges in the future.

**About DAC:**

The DAC is updating our [Washington State Plan to Address Alzheimer's Disease and Other Dementias](#), originally developed in 2016. Public input at these sessions will help to shape strategic plans and policies. For more information visit [dshs.wa.gov/dac](https://dshs.wa.gov/dac).

**How to Register:**

Choose one of the following [listening sessions](#) that best fits your schedule. We encourage registering in advance for a session as space is limited.

**Tuesday, March 21, 2023 @ 5:30 – 7:00 pm**

*(Spanish Interpreting Services available)*
