

Enhancing the Person-Centered Approach

This training is offered to Adult Family Home providers and staff that support individuals served by Developmental Disabilities Community Services.

Learning Objective

In this training, you will:

1. Learn about the history of people with intellectual and developmental disabilities.
2. Explore positive ways to provide person-centered care.
3. Implement enhanced person-centered approaches to care for clients with intellectual and developmental disabilities.

Schedule and Continuing Education Credits

This training is from 9 a.m. to 1 p.m. on the second Thursday of every month.

This training offers 4 Continuing Education (4 CE's).
