

## Developmental Disabilities Community Services Regional Leadership Contact List

DDCS strives to build a strong and productive working relationship with our providers.

### Who should I contact if I have questions?

1. **First Point of Contact:** Assigned Case Manager
2. **Second Point of Contact:** Supervisor
3. **Field Service Administrator (FSA):** Supports the local area offices and manages the supervisors covering residential and In-home services within the local offices. The FSA is the next level of contact when an issue cannot be resolved with a supervisor. The FSA will involve the supervisor and subject matter experts as needed.
4. **Transitional Care Program Manager (TCUPM):** Oversees individual discharging from institutional settings into the community on Roads to Community Living program.
5. **Deputy Regional Administrator (DRA):** Supports the entire region. Assists the Regional Administrator in overseeing the Region and has delegated authority when the Regional Administrator is not available. Second contact when issues are escalated from FSA.
6. **Regional Administrator (RA):** Oversees the entire Region, operations staffing and program implementation.
