ASSIGNED RCS FIELD MANAGERS

Dear Adult Family Home Provider:

Recently, Residential Care Services (RCS) realigned the Field Managers (FM) in each office to allow for “program specific” focus and expertise related to an assigned program (i.e. one FM for nursing homes and one or more FM for community settings to include adult family homes and assisted living facilities).

The enclosed document outlines the program-specific FM’s for your area. Please review this document to determine the FM specific to your program and county. A list of contact numbers is included in the document. If you have any questions, please contact your assigned FM at the number listed.

As always, thank you for your continued commitment to adult family home residents. If you have any questions, please contact your RCS Field Manager.

Sincerely,

Kathy Morgan, Interim Director
Residential Care Services
