FAMILY HOME MINIMUM LICENSING REQUIREMENTS)**

Dear Adult Family Home Provider:

The department is considering amending sections of Chapter 388-76 WAC, Adult Family Home Minimum Licensing Requirements. These changes will provide clarity about access to hand sanitizer in compliance with infection control, safety, and maintenance regulations in adult family homes.

A CR-101 ([WSR 22-24-012](#)) was filed with the Office of the Code Reviser on November 29, 2022, to begin the rule making process. You can find a link to this document on ALTSA's Information for Adult Family Home Providers [webpage](#) under "Provider Letters and Rule Changes."

Please check the ALTSA website often for updated information about the CR-101 filing. For rule making questions, please contact [Colleen Jensen](#), Adult Family Home Policy Program Manager, at 564-999-3182.

Thank you for your continued commitment to client health and safety

Sincerely,

Amy Abbott, Director
