**RESIDENTIAL CARE SERVICES & ASSOCIATION PROVIDER FORUMS**

Dear Adult Family Home Provider:

Residential Care Services is pleased to announce the 2023 Provider Forum schedule.

The purpose of the forums is to offer providers the opportunity to network, facilitate the exchange of information, identify and explore issues, and build and strengthen relationships. The Department will present information on various issues and wants to hear from the providers which topics are important to you. Feel free to reach out to the contact below to contribute your ideas.

The forums will be offered virtually, once per quarter. Please [see the 2023 schedule](#), which includes contact information for the provider associations and a link to register for each forum. Once you arrive on the registration page, select the appropriate date from the drop-down menu to complete your registration. Provider associations will email presentation materials and handouts to registrants after the forum.

We hope you take advantage of this opportunity, and we look forward to increasing our communication efforts and strengthening our relationships as we continue our mutual mission to support the vulnerable population of Washington.

If you have any questions or content ideas, please contact your provider association or Kristin Ferrell, Business Enterprise Program Manager, at (360) 999-7715 or [Kristin.Ferrell@dshs.wa.gov](mailto:Kristin.Ferrell@dshs.wa.gov).

Sincerely,

Amy Abbott, Director  
Residential Care Services
