

Helping People Choose the Right Home Using Disclosure Forms

Residential Care Services

Department of Social
and Health Services

Introduction

- Senate Bill 5630 and made changes to RCW 70.128 – Adult Family Homes
- The law now requires the completion of two forms:
 1. Disclosure of Services (10-508)
 2. Disclosure of Charges

Introduction

- These forms are **mandatory** and must be completed by providers
- These forms are meant to be a guide for families who are searching for an adult family home

Introduction

- The Disclosure of Services form must be completed and returned to the Department
- The Disclosure of Charges form must be provided to residents.
- This form does not replace 388-76-10530 disclosure of services that is to be given to residents when they admit to your home.

Disclosure of Services

- The form will be displayed on the AFH locator site at:
<https://fortress.wa.gov/dshs/adsaapps/lookup/AFHAdvLookup.aspx>
- Most of the information requested on this form can be found on your admission statement and your Medicaid policy.

Disclosure of Services

- The completed form can be returned electronically to AFHDisclosures@DSHS.WA.GOV
- It can also be returned by regular mail to
ALTSA – AFH Disclosure Forms
PO Box 45600
Olympia, WA 98504-5600

About the Home

Question 1: Provide a brief summary about what makes your home unique.

- This is a good opportunity to discuss your values or philosophy of caregiving. Do you embrace a particular religion or culture? Do you specialize in LGBT residents? Do you have a neighborhood that is great for walking? Do you have pets or would you allow a resident to have a pet? Make this section your own.

About the Home

Question 2: Date your current home was initially licensed

- This is for your current license. If you had another home, own multiple homes or were licensed under a different business structure there are other areas to capture this information.

About the Home

Question 3: Other address or addresses where provider has been licensed.

- Provide the other address or addresses where you have been licensed.
- If you have never been licensed at another address write NA for Not Applicable.

Transforming lives

About the Home

Question 4: Was your home previously licensed under a different name at the same address?

- If your home has changed names but was at the same address list all the names it has previously been known as.

Health Services

About the Home

Question 5: What kind of ownership structure do you have in your home?

- Are you a sole proprietor, partner or limited liability company?
- If you have a partner or partners list them here.
- If you have another business structure list it here.

Transforming lives

Personal Care

- “Personal care services” means both physical assistance and/or prompting and supervising the performance of direct personal care tasks as determined by the resident’s needs, and does not include assistance with tasks performed by a licensed health professional. (WAC 388-76-1000)

Personal Care

Question 1: Eating

- What is the highest and lowest level of eating assistance you provide?
- You may say something like you provide eating assistance from cuing and monitoring to total assistance.

Transforming lives

Personal Care

Question 2: Toileting

- What is the highest and lowest level of toileting assistance you provide?
- You may say something like you provide toileting assistance from cuing and monitoring to total assistance.

Personal Care

Question 9: Additional comments regarding personal care

- This is a good place to add information about the personal care you provide.
- Information about special equipment can be added here such as a roll-in shower, jetted tub, etc.
- You may also add information about where care happens. For instance, do each of the rooms have private bathrooms?

Medication Services

What levels of medication assistance do you provide?

- What is the highest and lowest level of medication assistance you provide?
- If a resident needs a medication to be administered, do you provide this service through nurse delegation?

Transforming lives

Skilled Nursing and Nurse Delegation

The home provides the following skilled nursing services

- If a resident requires nursing care what is the plan around that?
- The WACs state you must either contract with a nurse to provide the care or contract with a nurse to provide delegation.

Specialty Care Designations

We have the following specialty designations

- If you have taken developmental disabilities, dementia, or mental health specialty training list it here.

Washington State Department of Social &
Health Services

Staffing

- Check the box that applies for who lives in the home. Check only one box. If this information changes, you can submit a new disclosure form.
- If you only contract with an RN on an as needed basis such as for delegation, write “only as needed.” The same for LPN.
- For caregiving staff be sure to list how many caregivers are on each shift.

Transforming lives

Cultural or Language Access

- If you speak another language or sign put that information here.
- This is a good place to discuss any particular religion or cultural expression your home may have.
- Some ideas of things to include may be things like you provide a specialized diet for a particular religion, or you have cultural or religious events at your home.

Medicaid

- Make a statement about whether or not you accept Medicaid as payment for services.
- If you accept private pay only you can just check the box. You can provide explanation if you like.
- If you always accept Medicaid as payment you can just write that.
- If you will accept Medicaid under certain conditions, explain what they are. Maybe you will accept Medicaid after two years of private pay only.
