CR103E ASSISTED LIVING FACILITY RULE FILING

Dear Assisted Living Facility Administrator and Interested Parties:

This message is to announce the filing of a CR-103E (Emergency Rule) to extend emergency rules in Chapter 388-78A WAC of the Assisted Living Facility licensing rules.

The original emergency rules suspended administrator training requirements in WACs 388-78A -2524(1), 388-78A-2525(1), and 388-78A-2526(1). These emergency rules became effective April 23, 2020, expired August 21, 2020, and were published in WSR 20-10-005.

The current emergency rules extend the suspension of the administrator training requirements, became effective August 20, 2020, and expire December 18, 2020. They are published in [WSR 20-18-001](#).

These rules may be suspended under an additional emergency rule once they expire if training availability does not meet capacity.

If you have any questions, please contact [Jeanette Childress](#), LTC Policy Program Manager, at (360) 725-2591.

Sincerely,

Amy Abbott for
