Administrators hired between January 1, 2020 through August 13, 2021 must complete the certification of training required under WAC 388-78A-2530 by February 13, 2022. Resources for the certification of training under WAC 388-78A-2521 can be located at the following:

Due to demand for the trainings, it is encouraged that providers contact the training representatives as soon as possible to provide the associations the ability to foresee planning needs to meet training capacity.

Sincerely,

Mike Anbesse, Director
