ENHANCED SERVICES FACILITY INFORMATION CHANGES

Dear Enhanced Services Facility Provider:

Recently, the department has reviewed the process for providers who change information relevant to their facility. Up to this point, providers would contact their local field office; the field office would complete the ESF Information Change form, and then send it to the Business Analysis and Application Unit (BAAU) for processing.

This process has been streamlined, so that providers will now:

- Complete the ESF Information Changes form ([DSHS 10-602](#)); a link to this form is available on the AL TSA [Enhanced Services Facilities](#) webpage.
- Print, sign and date the form, attesting the changes are correct; and
- Send it electronically to BAAU at BAAU@dshs.wa.gov for processing. **Please note that forms without a signature will not be processed.**

Effective immediately, the following information changes will be made through the above process:

- Administrator; and
- ESF phone, fax, mailing address, and/or email address.

Providers must ensure the prospective administrators meet all requirements in chapter 388-107 WAC.

If you have any questions regarding this process, please contact BAAU at BAAU@dshs.wa.gov or (360) 725-2573.

Providers requesting to add or terminate a Medicaid Contract will do so by sending an email to: adshqcontracts@dshs.wa.gov or contacting the ESF Contracts Manager at (360) 725-2419.

Sincerely,

Candace Goehring, Director
