**AL TSA: ESF #2018-008**  
**CR-101 FILED TO PROPOSE ADDING & AMENDING SECTIONS**  
**TO CHAPTER 388-107 WAC**

Dear Enhanced Services Provider:

The department will be withdrawing CR-101 under WSR #16-19-062, and refile a new CR-101 under [WSR #18-17-098](#) since the stakeholder meetings were placed on hold for over a year. The department is considering adding, repealing, or amending sections to Chapter 388-107 of the Washington Administrative Code (WAC) for Enhanced Services Facilities.

The CR-101 document was recently filed with the Office of the Code Reviser. A link to this document can be found on [ALTSA's Enhanced Services Facilities web page](#), under "ESF Rule Filings".

The department's purpose in filing the CR-101 is to add, appeal or amend sections to Chapter 388-107 WAC.

- These rules have not been updated in seven or more years and are unclear, ambiguous, and inaccurate.
- These rule changes will create consistent regulations across the Residential Care Services programs.
- The rule making will be limited to the tuberculosis sections and the associated definitions.

Please check the ALTSA website often as we will be posting draft language for review and comment before filing the CR-102. For rule making questions, please contact [Jeanette K. Childress](#), Long Term Care Policy Program Manager, at (360) 725-2591.

Sincerely,

Candace Goehring, Director  
Residential Care Services
