ALTSA: ICF/IID #2018-002
ICF/IID LOCATOR

Dear ICF/IID Superintendents/Administrators:

In 2006, Residential Care Services developed a website for consumers and customers seeking information about long-term care facilities. This was limited to Adult Family Homes (AFHs), Assisted Living (ALFs) and Nursing Homes providers and had not included ICFs/IID. For consistency and transparency amongst all programs regulated by RCS, a locator link has been added to the ALTSA [Information for ICF/IID Providers](#) website.

RCS will begin posting recertification survey reports, complaint investigation reports, fire inspection reports and letters regarding any enforcement actions taken by RCS to the ICF/IID Locator. Information will be retained on the locator for three years from the date of the document.

Access the locator here: <https://fortress.wa.gov/dshs/adsaapps/lookup/ICFIIDLookup.aspx>
When a user clicks on "View Reports", the following categories will display when a facility has these documents posted:

- Fire Inspection – contains Office of the State Fire Marshal Fire and Life Safety Inspection Reports
- Inspection— contains statement of deficiency reports and plans of correction from the recertification surveys, and back in compliance letters
- Investigation – contains investigative summary reports, statement of deficiency reports and plans of correction from substantiated complaint investigations, and back in compliance letters
- Enforcement letters

Thank you for your continued commitment to residents served in Intermediate Care Facilities. If you have any questions, please contact [Penny Rarick](#), RCS Policy Program Manager, at (360) 725-3210.

Sincerely,

Candace Goehring, Director
Residential Care Services
