The second emergency rules extended the suspension of the administrator training requirements, became effective August 20, 2020, expire December 18, 2020, and were published in [WSR 20-18-001](#).

The current emergency rules extend the suspension of the administrator training requirements, became effective December 16, 2020, and expire April 15, 2021. They are published in [WSR 21-01-129](#).
