LONG-TERM CARE PROCLAMATIONS REMAIN IN EFFECT

Dear Administrator/Provider/Superintendent:

This letter is to remind you that the proclamations relating to the COVID-19 pandemic have not ended. Senate Concurrent Resolution 8304 extended all proclamations suspending or waiving specific Long-Term Care requirements until Governor Inslee formally lifts the state of emergency.

On June 30, 2021, Governor Inslee decreased or removed a number of restrictions for the general public. However, the Governor did not end the declared state of emergency in Washington state. All the Long-Term Care proclamations remain in place.

Thank you for your continued commitment to resident health and safety. If you have any questions, please contact RCSPolicy@dshs.wa.gov.

Sincerely,

Mike Anbesse, Director
Residential Care Services
