**PRE-ADMISSION SCREENING & RESIDENT REVIEW (PASRR) PROCESS WEBINAR**

Dear Nursing Facility/Home Administrator

In November, the Department plans to present a webinar regarding updates to the Pre-Admission Screening and Resident Review (PASRR) process. If you have staff who may be interested in attending, please have them register for one of the following sessions:

**Tuesday November 8, 2016**; 2:30-4:00 PM PST at  
<https://attendee.gotowebinar.com/register/5831175632697053187>

**Tuesday, November 15, 2016**; 9:00-10:30 AM PST at:  
<https://attendee.gotowebinar.com/register/1473408630565452545>

Given the emphasis on the PASRR process, it is recommended at least one person from each facility participate in this presentation. The information provided is for hospitals, medical offices, and nursing facilities as well as other professionals involved in the PASRR process. Continuing education credits will be available to registrants (1.5 credits). There will be an opportunity for questions and answers regarding PASRR.

The training will be emailed to all registrants, so please make sure all facility attendees check the email address they provide to ensure they receive the training. After registering, they will receive a confirmation email containing information about joining the webinar.

Thank you for your continued commitment to the health and safety of nursing home residents. If you have any questions, please contact your local RCS Field Manager.

Sincerely,

  
Candace Goehring, Director  
Residential Care Services
