### Person-Centered Care Coaching from the comfort of your desk!

Alzheimer's Association is excited to offer this web-based quality improvement program. Attendees will learn about a different area of person-centered care for people living with dementia each month.

Our Dementia Care Practice Recommendations are evidence-based and represent the highest standard quality of care. We'll include actionable tips that help care providers get to the heart of person-centered care.

Sign up today to reserve your spot!
