Local Virtual Support Groups

- Some support groups have gone back to an 'in person' format, but many are still virtual. Interested people can contact facilitators directly to learn how specific groups will be held. Click here for a [list of support groups and their facilitators - May 2022](#).

Southeast Washington Opportunities

- We offer unique opportunities for social engagement funded by Southeast Washington Aging & Long-Term Care, especially for residents of Asotin, Benton, Columbia, Franklin, Garfield, Kittitas, Walla Walla and Yakima counties. For more information and updates about these programs, please contact Julie Hooley at jmhooley@alz.org or 509.392.8571 or 509.412.2371.
 - **Physical Fitness at Home:** Join us for a series presented via a webinar call catering to people living with Early-Stage Memory Loss and their care partners. These sessions are 30-45 minutes long and feature three different ability levels. Pre-registration required. Call Aging and Disability Resource Center at 855.567.0252.
 - **Weekly Connection Social Hour:** Join us for a virtual social hour for people in early-stage memory loss and their loved ones. Make new friends and connect with others. A smart phone, tablet, or computer/laptop with a microphone and speakers is required. Weekly on Wednesdays at 10 am. To register call Julie Hooley 509.412.2371.
 - **Staying Connected:** A health promotion and social support program that consists of four weekly 90-minute sessions for people living with memory loss and a companion or care partner. Sessions include a topic discussion, time for socializing and a pleasant homework assignment. The program is designed to benefit the health, mood and cognitive function of adults living with memory loss. Virtual meetings held over Zoom. Pre-registration required. Call Aging and Disability Resource Center at 855.567.0252.
 - **Powerful Tools for Caregivers:** A free six-week educational series for family caregivers. Join us to learn about identifying and reducing personal stress, communication types and strategies, taking care of you, making tough caregiving decisions and family meetings. Several series being held throughout the year. Virtual presentation. Registration required. Call Aging and Disability Resource Center at 855.567.0252.
 - **Star-C Program** –STAR-C is a program for family caregivers who are caring for and living with someone with dementia. Developed by the University of Washington, this six-week program has been shown to reduce depression in caregivers and decrease unwanted behaviors in the person with dementia. Originally designed to be offered in the caregiver's home, during the pandemic it is being made available virtually. For more information, call Aging and Disability Resource Center at 855.567.0252.

Wellness Wednesdays

The Alzheimer's Association and UW Memory and Brain Wellness Center are pleased to offer Wellness Wednesdays, a free weekly webinar series for people with memory loss and their families. Join online and enjoy dynamic speakers exploring topics and resources to help you thrive on your memory loss journey. Check prior recorded talks or see what's coming soon through links below. (April was not yet posted at the publication of this document).

UW Memory and Brain Wellness Center

Community Events & Programs

As part of our mission to promote the well-being of persons living with memory loss and their families, the Memory & Brain Wellness Center offers a variety of community events and programs. Note that in-person events are temporarily on hold during the COVID-19 outbreak. We have adapted some of our programs to take place virtually (online, phone or video). We also offer a new menu of virtual support, education and engagement opportunities especially tailored to living well with memory loss/dementia, or caregiving, in the midst of the COVID-19 outbreak. Please see below. For more information, please contact program manager Marigrace Becker at mbecker1@uw.edu or (206) 744-2190.

Virtual Support, Education & Engagement in the time of COVID-19

Virtual Coffee Chat for persons with memory loss/dementia

Make a cup of coffee or tea and come together for an informal social time with others living with memory loss or dementia. Share how you're coping in the midst of COVID-19, and reflect on a different theme each week. Participate online or by phone, with a free application called "Zoom." Facilitated by program manager Marigrace Becker.

- Every Tuesday, 10 - 11 am - Space is limited; [sign up](#) here by the day before.
- May 3, 10, 17, 24, 31

Virtual Caregiver Forums

Every Monday, 10 - 11 a.m., come together with other family caregivers to discuss caring for a loved one in this time of COVID-19. Make meaningful connections, offer mutual support, and discover strategies that work for others. Participate online or by phone, with a free application called "Zoom." Facilitated by clinic social worker Karen Clay and program manager Marigrace Becker. Join for just one session, or multiple.

- Every Monday, 10 - 11 am – Space is limited; [sign up](#) by the day before.
- May 2, 9, 16, 23

Wellness Wednesdays – listed above with the Alzheimer’s Association

We will co-present, with the Alzheimer’s Association, this free weekly webinar series, from 1 - 1:45 p.m. on Wednesdays. By working together, we aim to diversify the speakers and topics, and reach more people with valuable information on living well with memory loss or caregiving.

- Please register for each talk you would like to attend.
- Note that your first time registering, you will be prompted to create an account on the Alzheimer’s Association website. You can use this account every time after that. After you register, you will promptly receive a confirmation email with Zoom link.

Join online and enjoy dynamic speakers exploring topics and resources to help you thrive on your memory loss journey...for more information, go [here](#), or call 1.800.272.3900.

View past Community Wellness Talks on UW YouTube channel, [here](#).

UW Memory & Brain Wellness Center - Community Programs**Memory Loss: A Guide to Next Steps - Offered Virtually (Online or Phone)**

Have you recently been diagnosed with mild cognitive impairment or dementia? Join us for this introductory class. Get your questions answered by an expert panel including peer mentors who share strategies for living well with memory loss, and a medical provider from the UW Memory & Brain Wellness Center.

Learn more about the resources in our handbook, Living with Memory Loss, and some helpful websites. You'll leave feeling encouraged and more confident for the road ahead. A free program; offered online or by phone via Zoom. 2 - 3:30 every 2nd Thursday of the month.

- Upcoming Sessions: May 12, June 9
- [Register](#) two days in advance

Garden Discovery Walks - Offered Virtually (Video)

- Virtual Garden Discovery Walks has been an online adaptation of an in-person monthly tour of a garden or park, followed by a nature inspired art craft led by Laura Rumpf, HTR, Registered Horticultural Therapist. This program is offered by Seattle Parks and Recreation & UW Memory and Brain Wellness Center, with support from Family Resource Home Care.
- Explore the 2020 – 2021 monthly garden walks and nature crafts [available to watch at home](#).
- Staying Active & Bringing the Outdoors Inside! Resource List: Virtual Tours, Nature Apps, Home-based Exercise, Live Streams ([PDF](#))

Frye Art Museum – Frye from Home

The Frye comes into your home with digital Creative Aging resources. Have you seen these videos?

- Caroline Byrd, Education Coordinator, leads **three artwork discussions** that explore the theme of “Community: In This Together” featuring compelling works by [Helmi Juvonen](#), [Jane Wong](#), and [Cauleen Smith](#), each of which was chosen to evoke responses to what community means to you.
- Enjoy a summer walk with a family member or friend to collect flowers, bark, or other organic materials for your [Tracking Down Texture art-making project](#) with teaching artist Janet Fagan.
- Join the deer and the antelope out on the range with musician Carmen Ficarra in a [singalong of western songs](#)—certain to be a rousing good time!
- While designed for adults living with dementia and their care partners, these short videos can be enjoyed by all ages. Visit the [Frye from Home](#) page to find more ways to engage with the Museum while our doors remain closed, and receive updates about our ongoing plans.
- The Frye Art Museum's [YouTube channel](#) offers arts engagement for persons with dementia and caregivers, such as new guided art discussions.

Other community organizations offer online activities/programs

- "Out & About" - a neighborhood walking group for people with memory loss and care partners offered by Seattle Parks and Recreation - is back! Join the group from 10:30 a.m. - 12:30 p.m. every 2nd and 4th Friday. Rotating locations/routes in Seattle. More info [here](#).
