

**Consumer Directed Employer (CDE) Project
Talking Points #17 – Background Checks**

How will the CDE conduct a background check after implementation?

The CDE will initiate a new background check request in the same way that they are completed today, a secure link will be sent to the Individual Provider (IP). The IP will fill in the needed information online and submit it to the Background Check Central Unit (BCCU) via the Background Check System. Once the background check is complete, BCCU will provide one of the following four (4) notifications to the CDE.

**** The CDE will notify the case manager about a background check only if a client does not have an IP and is at risk of going without services.**

Stay Connected and Informed about the CDE project!

Visit the [CDE website](http://www.dshs.wa.gov/altsa/cde) at www.dshs.wa.gov/altsa/cde to:

- Sign up to receive **Consumer Directed Employer** updates by email
- Sign up to attend a monthly informational webinar or stakeholder meeting
- Review the latest Materials & Resources
