

Consumer Directed Employer (CDE) Project Talking Points #12 – Dismissing an IP

May a client dismiss an Individual Provider (IP) employed by the CDE?

Clients may discontinue (dismiss) services from an IP. While the CDE will be the legal employer of all IPs, clients will continue to select their IP(s), direct day-to-day tasks consistent with their plan of care, and dismiss IPs.

Stay Engaged and Informed about the CDE project!

Visit the [CDE website](http://www.dshs.wa.gov/altsa/cde) at www.dshs.wa.gov/altsa/cde to:
