

**Consumer Directed Employer (CDE) Project
Talking Points #15- Counties Served by each CDE
Vendor**

With two vendors, which counties will be served by each CDE?

There will be two Consumer Direct Employers, Public Partnerships Limited and Consumer Direct Care Network. Each CDE will provide service to about half of the 43,000 Individual Providers (IPs) in the state. IPs will have one CDE to work with for payroll, training compliance, background checks, and all other employment services. Clients receiving in-home care services will continue to choose, supervise, and dismiss the individual providing their care.

The CDE service areas are defined by which county the client lives.
