

## Trueblood Team Mission, Vision, and Values

The Department of Social and Health Services, Behavioral Health Administration, and Health Care Authority established a mission, vision, and values statement to better define their cross-agency efforts.

**Mission:** We collaborate, lead, and manage solutions that improve public behavioral health services for people of Washington State who are at the intersection of behavioral health and the law.

**Values:**

- Cultivating an environment of learning and sharing
- Demonstrating empathy and understanding
- Fostering personal growth
- Honoring cultural backgrounds
- Implementing evidence-based solutions
- Listening to learn
- Nurturing relationships
- Seeking voice and choice
- Valuing personal experience

**Vision:** To encourage and support people through and out of the forensic mental health and criminal court systems into the best possible services in their chosen communities.
