

# Meeting 05-15-2015: Children's Behavioral Health Data and Quality Team

---

Data and Quality Team website: <https://www.dshs.wa.gov/bhsia/division-behavioral-health-and-recovery/data-and-quality-team>

<u>Agenda Item &amp; Lead(s)</u>	<u>Discussion and Outcomes</u>	<u>Action to be taken by whom/when</u>
<b>WISe Quarterly Reports in a TCOM framework</b> – Nathaniel Israel, Chapin Hall for Children, University of Chicago	Nate Israel walked the committee through the BHAS Reports within a Transformational Collaborative Outcomes Management (TCOM) framework. Cross system data review possibilities and quality improvement action and feedback were discussed. The Quarterly Data Review Protocol was distributed.	At the June meeting Nate will review CANS data that can be derived from the BHAS system that can be used to assess cross-system outcomes including development of natural supports.
<b>Next meeting – June 19, 2015</b>  Updates on Measures of Statewide Performance
