Civil Money Penalty Funds
for Certified Nursing Homes**

- Alaska
- Idaho
- Oregon
- Washington

INTRODUCTION

In accordance with Survey & Certification transmittal 12-13-NH dated December 16, 2011, States must obtain approval from the Centers for Medicare & Medicaid Services (CMS) for the use of federally imposed civil money penalty (CMP) funds. A copy of this transmittal is available on the CMS website at www.cms.hhs.gov. Effective January 1, 2012, CMS has established a process for reviewing applications that seek funding to improve resident outcomes in certified nursing homes. Only CMP fund applications that meet the statutory intent of the regulations, Federal law and policy will be considered.

Region X states include: Alaska, Idaho, Oregon, and Washington. Requests to use CMP funds may be made by various organizations and entities. Applications may be submitted by certified nursing homes, academic or research institutions, state, local or tribal governments, profit or not-for-profit, or other types of organizations.

INSTRUCTIONS

Application Process

- Entities from which CMP requests originate shall submit the request to the applicable State Agency (SA) for an initial review and recommendation.
- All CMP requests shall be submitted electronically and sent to the applicable State Agency (SA) utilizing the Region X: CMP Grant Request form.
- Requests will not be accepted via facsimile.
- Requests shall include a cover letter addressed to the State Agency (SA) Director.
- CMP request forms may be accepted from dually certified providers (SNF/NF) and nursing facilities (NF) and other organizations.

- Requests should be limited to no more than twenty (20) pages, including appendices and the actual CMP request form.
- All sections of the request form shall be completed or the CMP request may be denied.
- When CMP funds are requested for educational purposes, the organization involved must also include the following: anticipated number of attendees; target audience; accrediting authorities; timeline for implementation and plan for sustainability; and letters of support. Representatives from any group requesting funding, or representatives who are in situations where a conflict of interest exists, must disqualify themselves from making recommendations.
- State Agency reviewers shall first assess the merit of each project and the ability of the project to improve resident outcomes and advance the care and services provided in certified long term care facilities.
- Applicants may contact the applicable state survey agency with questions regarding their CMP request.

Following State Agency review, the State Agency forwards the CMP request form to CMS for a decision.

- The mail box address is ROX_CMP_GRANTAPPLICATION@cms.hhs.gov. Only CMP request forms emailed by the SA will be reviewed.

- Upon receipt by CMS, CMP request forms shall be assigned a tracking number. The tracking number consists of the year, CMS regional code, state prefix, date code, application number and entity name. For example: 2012-50-WA-12-19-01-John Doe Nursing Center. Tracking codes shall be utilized in the annual transparency report beginning in 2013.
- CMP requests are reviewed by CMS in the order of receipt.
- CMS may approve the CMP request, deny the CMP request or request additional information.
- CMP request forms that are denied are not subject to an appeal.
- Feedback to the State Agency on the status of the CMP request form submitted to CMS shall be provided within 45 calendar days of receipt.
- If the State Agency has not received a response from CMS within 45 calendar days of receipt of a completed request, the State Agency may send a request for priority processing to QualityAssurance@cms.hhs.gov.
- CMS' regional office has final authority to approve requests. If a request is approved, the organization or entity from which the request originated shall be required to submit a quarterly report on the status of the project to the CMS regional office and the State Agency.

Please be mindful that CMS is not able to approve projects in certain circumstances, such as:

Prohibited Uses

- Conflict of Interest—CMS will not approve projects for which a conflict of interest exists or the appearance of a conflict of interest.
- States may not use CMP funds to pay entities to perform functions for which they are already paid by State or Federal sources.

- CMP funds are not used to pay for capital improvements to a nursing home, or to build a nursing home.
- CMP funds are not used to pay for nursing home services or supplies that are already the responsibility of the nursing home, such as laundry, linen, food, heat, staffing costs, etc.
- CMP funds are not used to pay the salaries of temporary managers who are actively managing a nursing home.
- CMP funds are not used to recruit or provide Long Term Care Ombudsman certification training for staff or volunteers, or investigate and work to resolve complaints.

Tips for Preparing the CMP Form

- All nursing homes dually certified to participate in the Medicare program or nursing homes certified to participate in the Medicaid program shall include the CMS Certification Number (CCN) in the request.
- All organizations or entities shall include the Tax Identification Number (TIN).
- Assemble and paginate the request as one pdf document, and use approved Times New Roman, 12 point font, for any appendices.
- Complete all sections of the request as instructed. Incomplete applications will be denied.
- Plan ahead and allow sufficient time for State Agency and CMS review and approval of the request.

NOTE: If the use of CMP funds is approved, the organization or entity receiving funds may still be required to complete a state contract before the funds are released.

Provide an abstract summary of the project that is no longer than one page. Include the requester's background and qualifications, the need for the project, a brief description of the project and its goals and objectives. Of the utmost importance is information regarding how the project will be evaluated to measure the success of the programs. Specify the person(s) who will be accountable for the project evaluation.

STATEMENT OF NEED

The statement of need should describe the problem that the project will attempt to address. Also describe any problems that may be encountered in the implementation of this project. Articulate the contingency plan to address these issues.

**PROGRAM DESCRIPTION**

Describe the project or program and provide information on how it will be implemented. Include information on what will be accomplished and the desired outcomes. A timeline shall accompany all proposals which outline benchmarks, deliverables and dates. Attach supplemental materials such as brochures, efficacy studies and peer reviewed literature.

**Part VIII:

Include a description of the methods by which the results of the project will be assessed (including specific measures). Multi-year projects shall provide a provision for submission of interim progress reports and updates from the project leader to CMS. Staff attending training shall articulate how knowledge learned will be shared among other long term care employees and ultimately how the information will improve resident outcomes. Quarterly reports regarding the progress of the project shall be submitted to CMS and the State Agency.

Part XII: Involved Organizations

List any sub-contractors and organizations that are expected to carry out and be responsible for components of the project. Copies of contracts and subcontracts shall be available upon request to CMS and the State.

CONFLICT OF INTEREST PROHIBITION STATEMENT

CMS will not approve projects for which a conflict of interest exists or the appearance of a conflict of interest. Similarly, we will generally not approve uses that commit CMS funding to very long term projects (greater than three years). By obliging the State to fund a long and large multi-year expense, we consider such projects to raise the appearance of a conflict of interest where the levy of future CMPs could be construed to be done for the purpose of raising revenue rather than for the statutory purpose of deterring or sanctioning poor quality. We will, however, consider each project in light of the specifics of each individual case.

ATTESTATION STATEMENT

CMP funds have been provided for the express purpose of enhancing quality of care and quality of life in nursing homes certified to participate in Title 18 and Title 19 of Social Security Act. Failure to use civil money penalty funds solely for certified nursing homes and for the intended purpose of the grant proposal is prohibited by Federal law. Failure to use the CMP funds as specified will result in denial of future grant applications and referral to the appropriate entity for Medicare/ Medicaid fraud and Program Integrity. The applicant shall disclose any conflicts of interest, including family relationships.
