DEPARTMENT OF SOCIAL AND HEALTH SERVICES
Developmental Disabilities Administration
PO Box 45310, Olympia, WA 98504-5310

PLEASE READ IMPORTANT NOTICE ABOUT YOUR SERVICES
June 19, 2015

Sadly, as of the date of this mailing, the Washington State Legislature has not passed a budget. I am sending you this notice to inform you that most Developmental Disabilities Administration services paid for entirely with state funds will terminate June 30, 2015 unless a budget is adopted before that date. You can be certain this is the last thing anyone within the Developmental Disabilities Administration wants to happen; we are simply prevented by law from spending money in this area without an approved state budget.

You have been identified as someone receiving one or more of the following services paid for with state-only money:

- State Funded Attendant Care;
- State Funded Chore;
- State Funded Community Support Services;
- State Funded Employment;
- State Funded Individual and Family Services Program;
- State Funded Offender Reentry Community Safety Program;
- State Funded Personal Care services;
- State Funded Alternative Living.

Again, sadly, Developmental Disabilities Administration cannot pay for these services without a budget. If a budget is not adopted by June 30, 2015, your service(s) will terminate.

I know this will be very hard on you and your family. If your services are terminated, we will do our best to quickly restore your services as soon as funding is available.

Please accept my sincerest apologies and please know we empathize with the disappointment this might bring.

Sincerely,

Evelyn Perez, Assistant Secretary
Developmental Disabilities Administration
