There is a new process for completion of the Developmental Disabilities Specialty Training

- Developmental Disabilities Specialty Training is now a **four hour online course with only 2 days of in class training**, for a total of 16 training hours.
- To begin the online portion you must be registered for a DD class to get the site address, login and password.
- All four online modules must be completed **BEFORE** attending the in class portion of the training.
- You **must bring the printed and completed study guide** from the online portion to the in class training as proof of completing the 4 hours of online modules.
- Training is limited to 25 attendees, and registration will be closed once all openings have been filled.

DD Specialty Training is still a **FREE** introductory training intended for individuals who support people with developmental disabilities. Specialty Training hours can be used for a possible 16 approved hours see WAC 388-112-0225 and 388-829-0240. You must complete online portions and attend both days, then pass a written test to receive your specialty designation and certificate. Successful completion of this class fulfills the WAC requirement for AFH, Assisted Living homes and Alternative Living providers. This is **NOT** an approved CE class for Individual Care Providers.

The meeting site is handicapped accessible and additional assistance or accommodation is available upon request, please make this request at least 2 weeks prior to the training.
