Q: Why are some of the counties funded by DDA and some by OSPI?

A: The Office of Superintendent of Public Instruction is partnering with DDA on Job Foundation and has committed to funding some of the work statewide based on where there are fewer resources. This is a fund source at the state level and is not an indication of local school involvement or partnership.

Q: Can I bill for a Job Foundation Report that scores less than satisfactory using the [Job Foundation Quality Review Tool](#)?

A: No. All plans must score satisfactory or higher or a county cannot bill the state for reimbursement. Counties should work with providers to improve the plans to achieve a satisfactory or higher score for reimbursement from the state.

SCORING Guide

Excellent = 27	Above Standard = 22-26	Satisfactory = 18-21	Unsatisfactory = 0-17
----------------	------------------------	----------------------	-----------------------

Final Score:

Q: Who do I send completed Job Foundation Reports and Job Foundation Quality Review Tools to at DDA?

A: Please send completed Job Foundation Reports and Job Foundation Quality Review Tools to DDAJobFoundationReports@dshs.wa.gov

Q: Can I bill for an incomplete Job Foundation Report?

A: It depends. The expectation is that the county would review this on an individual basis. It may make sense to do a partial payment if the provider is unable to complete the report for circumstances beyond their control. For guidance or support please reach out to your Regional Employment Specialist.

Job Foundation Billing Example

\$70 is the additional 7% admin the county is owed based on the new Job Foundation Report costs. The county originally billed:
 \$3800 (7% = \$266 and corrected to \$4800 (7% = \$336). \$336-\$266 = \$70.

When correcting other cost billing the user must subtract and add costs. The county overbilled Job Foundation Info/Ed costs by \$500 so a negative \$500 should be inputted into category 97. The county under billed \$1000 for Job Foundation Reports so \$1000 should be added into category 95. This will bring the total to \$4800 since the county originally billed \$3800 for category 95.

For any unique situations related to Job Foundations Reports please reach out to your DDA Regional Employment Specialist for support.
