

## Developmental Disabilities Administration Client Hospitalization Tracking Report 2<sup>nd</sup> Quarter: April - June 2021

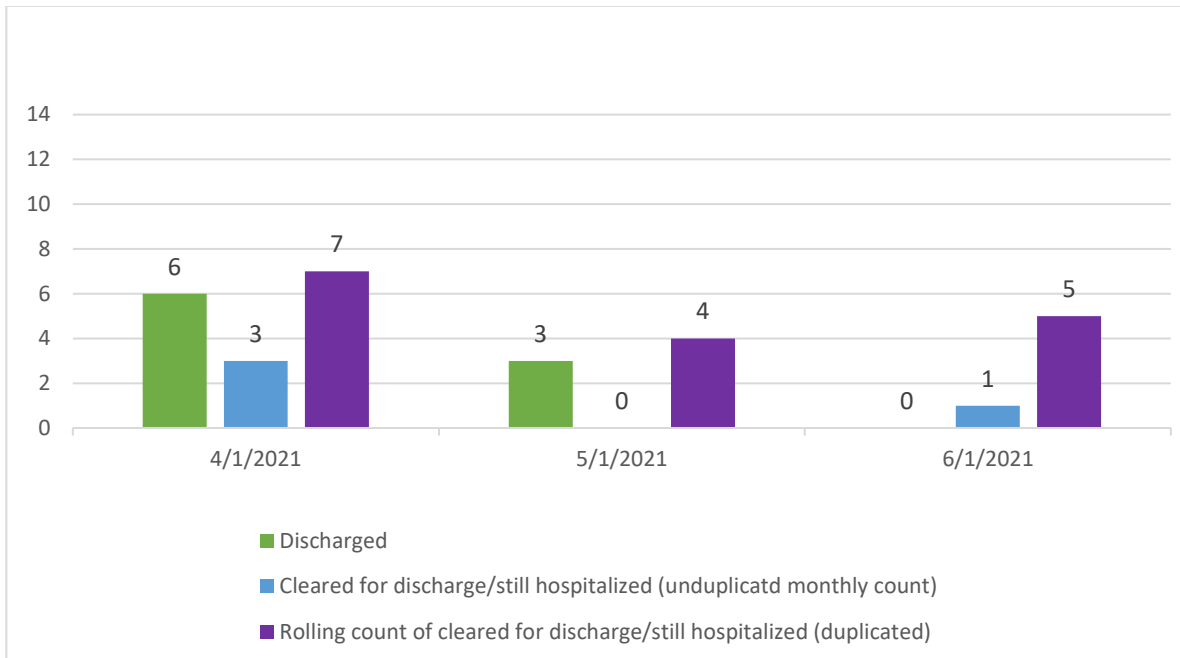

This report is provided in compliance with RCW 71A.12.360 and represents *only* those DDA clients who received residential habilitation services from certified residential service providers (Supported Living and State Operated Living Alternative (SOLA)) and were taken or admitted to a hospital. The report is not subject to any other DDA clients.

Information in this report reflects April – June 2021 data and is not a year-to-date roll-up.

Data provided in this report:

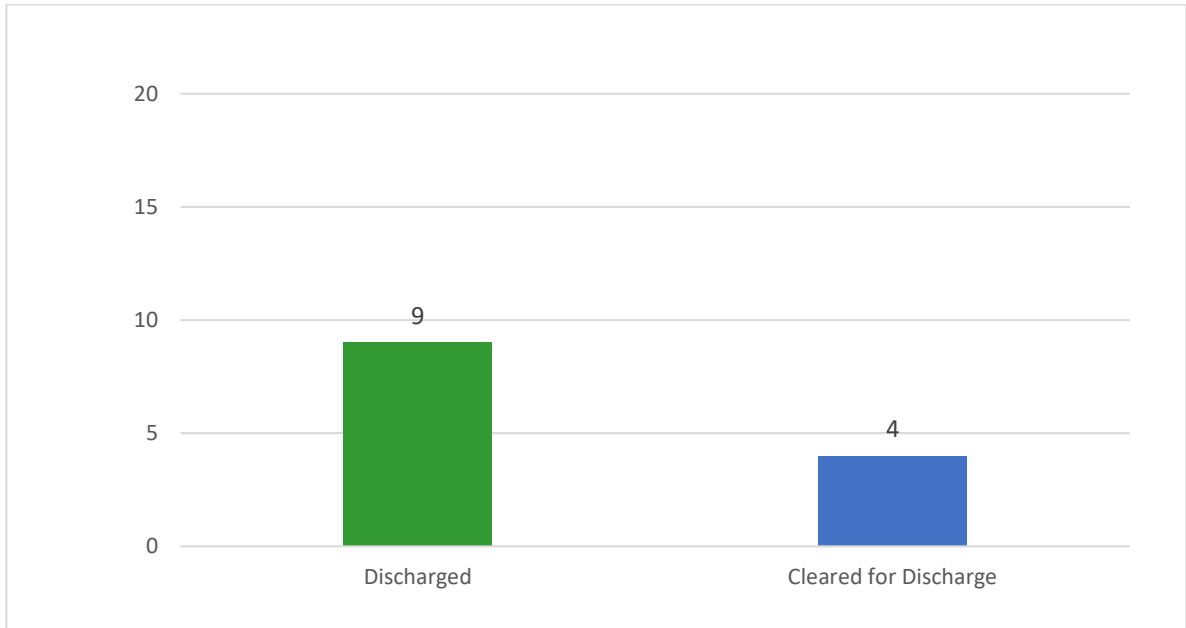

- Number of clients taken/admitted to a hospital without a medical need
- Number of clients taken/admitted to a hospital with a medical need and unable to discharge once the medical need was met
- Location (county) and type of provider prior to admission
- Each client’s length of stay for non-medical purposes and barriers to discharge
- Discharge location (county)
- Reason for SL/SOLA provider termination
