

Developmental Disabilities Administration Client Hospitalization Tracking Report

RCW 71A.12.360

4th Quarter: October – December 2020

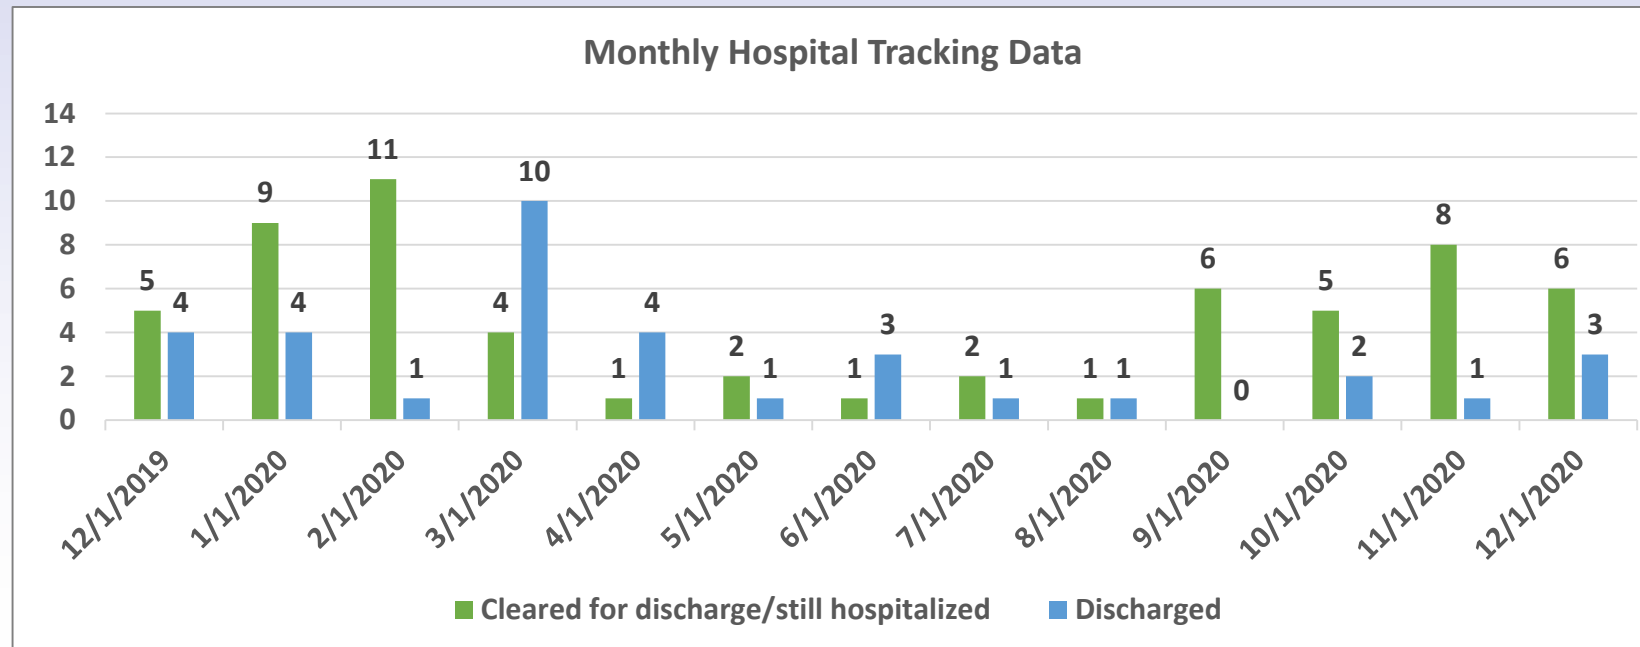

The data in this report represents DDA clients who receive residential habilitation services from certified residential services providers and State Operated Living Alternative (SOLA) providers. The report is not subject to any other DDA clients.

Data elements contained in this report:

- Number of clients taken/admitted without a medical need
- Number of clients taken/admitted with a medical need and unable to discharge once the medical need is met
- Location (county) & type of provider prior to admission
- Each client's length of stay for non-medical purposes & barriers to discharge
- Discharge location (county)
- Reason for SL/SOLA provider termination

Note: Data represents **Supported Living (SL)** and **State Operated Living Alternative (SOLA)** clients who were taken or admitted to an acute care hospital

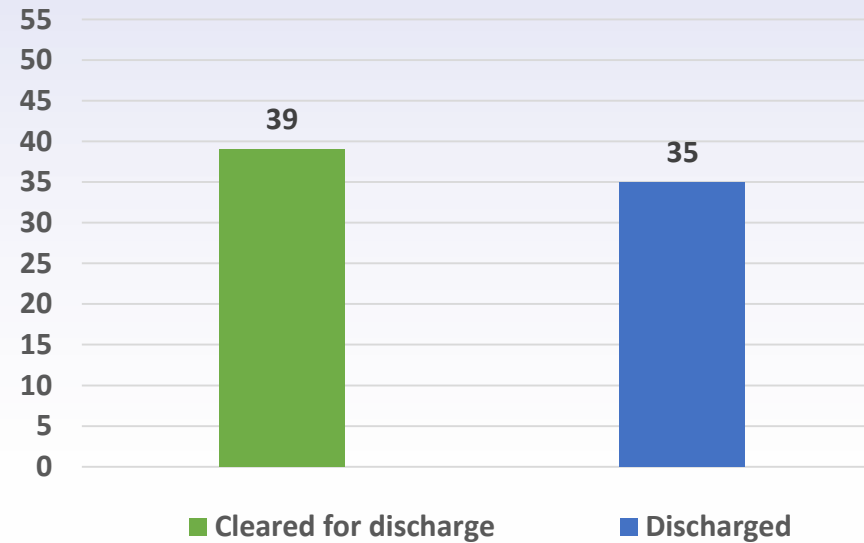

SL/SOLA clients who were medically cleared but not discharged and clients who discharged

Note: SL/SOLA client counts are duplicated and valid as of the last day of the month. Cleared for discharge indicates hospital notified DDA staff that client no longer requires acute level of care. Discharge activity represents clients who have discharged.

Total number of SL/SOLA clients who were cleared for discharge and the total number of clients who discharged

Unduplicated Hospital Tracking Data

Note: Unduplicated SL/SOLA counts of the total number of clients who were cleared to discharge and the total number of clients who discharged from December 1, 2019 – December 31st 2020.

SL/SOLA clients taken to an acute care hospital without a medical need

Month of Admit	County of Admission	Provider Type at Admission	Month of Discharge	LOS	Provider Type at Discharge
2/2020	Thurston	Supported Living	3/2020	28	Diversion bed

Note: Data represents individuals taken or admitted to a hospital without a medical need. SL/SOLA clients brought to an acute care hospital for any physical and/or behavioral health concern is categorized as a medical need.

County of residence at admission for SL/SOLA clients cleared for discharge from an acute care hospital

Total Client Count from December 2019 – December 2020 by County		
County of Residence Prior	Number of Clients	Percentage of clients by county
Clark	1	3%
King	12	31%
Kitsap	1	3%
Lewis	1	3%
Pierce	5	13%
Skagit	2	5%
Snohomish	5	13%
Spokane	1	3%
Thurston	11	28%
Total	39	100%

Note: Chart represents the total number of clients based upon county of residence prior to hospitalization. Client counts are unduplicated. Percentages are rounded up to nearest whole number.

SL/SOLA client length of stay (LOS) for non-medical purposes and barriers to discharge data

2019	# of Clients	Average LOS (days)	Identified Barriers
December	5	92	Not behaviorally stable; Active referrals submitted – No provider identified; Provider needs time to find housing and staff
2020	# of Clients	Average LOS (days)	Identified Barriers
January	9	62.67	Not behaviorally stable; Active referrals submitted – No provider identified; Provider needs time to find housing and staff
February	11	74.54	Not behaviorally stable; Active referrals submitted – No provider identified; Provider needs time to find housing and staff
March	4	24.5	Active referrals submitted - No provider identified; Provider needs time to find housing and staff; Cleared for Dx/Still Hospitalized

Note: Data is duplicated and displays an average by month. Each client's length of hospital stay for nonmedical purposes is available upon request.

SL/SOLA client length of stay (LOS) for non-medical purposes and barriers to discharge data

2020	# of Clients	Average LOS (days)	Identified Barriers
April	1	112	Active referrals submitted - No provider identified
May	2	72	Active referrals submitted – No provider identified; Not behaviorally stable, Services offered – Client/Legal Rep. refusal
June	1	5	Provider needs time to find housing
July	2	32.5	Active referrals submitted – No provider identified; Provider needs time to find housing
August	1	60	Active referrals submitted – No provider identified

Note: Data is duplicated and displays an average by month. Each client's length of hospital stay for nonmedical purposes is available upon request.

SL/SOLA client length of stay (LOS) for non-medical purposes and barriers to discharge data

2020	# of Clients	Average LOS (days)	Identified Barriers
September	6	88.1	Active referrals submitted - No provider identified; Family unable to support; Provider needs time to find housing and staff
October	5	118.8	Unable to access MH bed; Active referrals submitted - No provider identified; Family unable to support; Provider needs time to find housing and staff

Supported Living	14	40%
RHC - COVID Executive Order	3	8.6%
RHC – ICF	2	5.7%
RHC – SONF	2	5.7%
Total	35	100%

County of residence at discharge for SL/SOLA clients cleared for discharge from an acute care hospital

County at Discharge	Number of Clients	Percentage of clients by county
Island	1	2.9%
King	6	17.1%
Kitsap	1	2.9%
Pierce	13	37.1%
Skagit	1	2.9%
Snohomish	4	11.4%
Spokane	4	11.4%
Thurston	4	11.4%
Yakima	1	2.9%
Total	35	100%

Note: Chart represents the total number of clients based upon county of discharge from August 2019 – August 2020. Client counts are unduplicated.

SL/SOLA provider termination data

December 2019 – December 2020

SL/SOLA Provider Termination Data		
Month of Termination	Number of Clients	Reason for Termination
January 2020	1	Unable to meet health and safety due to Behavioral Acuity
February 2020	1	Inadequate staffing to meet individual need
March 2020	2	Inadequate staffing to meet individual need; Unable to meet health and safety due to Behavioral Acuity
July 2020	1	Unable to meet health and safety due to Behavioral Acuity
August 2020	1	Unable to meet health and safety due to Behavioral Acuity
October 2020	1	Unable to meet health and safety due to Behavioral Acuity

Note: Chart represents clients who are cleared and unable to discharge from an acute care hospital who also received a termination notice from a SL/SOLA provider. Month indicates notice termination was received and reason for termination. If month is not provided, the number of clients is zero (0).
