

My Page One-Page Profile

Please complete this one-page profile prior to meeting with your case manager for your assessment. This enables them to know you better and understand what is important to you. Your case manager will review your profile with you before completing your assessment and person-centered service plan.

By understanding you and your goals, your case manager can better help determine how DDA paid services can assist you in living the life you want to live.

You can complete the one-page profile on your own, or with the assistance. Complete as much or as little of the profile as you wish. If you need extra space, you can use another sheet of paper. Feel free to include a picture of yourself with your profile.

You are not required to complete a one-page profile. Not completing the profile will not affect your eligibility to receive a DDA assessment or paid services.
