

## In partnership with DDA (the Developmental Disabilities Administration)

The Arc provides Adult Overnight Respite Services at 2 locations located in quiet neighborhoods on the north side of Spokane, Washington.

Individualized supports are designed with the family for a safe and pleasant stay in a cozy, welcoming home

- Well-trained professionals provide round-the-clock care and friendly interaction
- Medication and other treatment assistance
- Nurse Delegation services when needed
- Safe, accessible transportation for community outings, shopping and recreation
- Meals and snacks meet individual preferences and dietary needs
- Large fenced backyard and deck for relaxing
- On-site laundry facilities
