COVID-19 Arrives
We Strategize & Pivot towards more Flexibility

• Budget Accounting Reporting System (BARS)
  – Aid local governments in accounting.
  – Counties use to determine allowable expenditures under direct and indirect consumer supports.
  – Typical allocation for indirect consumer supports is 7% based on the total sum of the County Service Authorizations.
  – Beginning April 2020 Counties have flexibility to request moving an allocation between direct and indirect consumer supports.
COVID-19 While flexible Service Hierarchy Remains

- Direct client service – in person
- Remote client service:
  - Virtual live time
  - Phone time
  - Video or filmed
- Staff Training / professional development resources
BARS - Indirect Consumer Support Definitions

• **568.31 Staff Training:** Costs incurred by the program for planned, structured activities for the purpose of providing, or improving, or enhancing job related knowledge and skills of staff in the provision of developmental disabilities services.

• **568.41 Information and Education:** Costs incurred by the program for activities to inform and/or educate the general public about developmental disabilities and related services.
