

Do you know how to report abuse?

Any person can be a victim of abuse. Abuse can come from strangers, caregivers, family members, friends, or others.

WARNING SIGNS OF ABUSE

Injuries: suspicious or unexplainable bruises, sores, or weight loss.

Behaviors or emotions: change in normal personality.

Daily living needs: neglect or inattention to hygiene, clothing, medication, food, or home.

Property and finances: unexplainable financial changes or missing money and personal belongings.

Verbal aggression: comments or statements that are intimidating, threatening, or degrading.
