## Do you know how to report abuse?

Any person can be a victim of abuse. Abuse can come from strangers, caregivers, family members, friends, or others.

## **WARNING SIGNS OF ABUSE**

**Injuries:** suspicious or unexplainable bruises, sores, or weight loss.

**Behaviors or emotions:** change in normal personality. **Daily living needs:** neglect or inattention to hygiene, clothing, medication, food, or home.

**Property and finances:** unexplainable financial changes or missing money and personal belongings.

**Verbal aggression:** comments or statements that are intimidating, threatening, or degrading.
