SCOPE

This policy applies to all DDD organizational units.

Note: Circumstances in which DDD employees are requesting client records from medical providers external to DSHS are outside the scope of this policy. For additional information, refer to WAC 246-08-400, “How much can a medical provider charge for searching and duplicating medical records information on fees that may be paid by DSHS/DDD for these records?”

DEFINITIONS

Client means a person who has a developmental disability as defined in RCW 71A.10.020(3) and has been determined eligible to receive services by the division under chapter 388-823 WAC.

**Standard Copying Cost** is the charge for duplicating most DSHS records.

**POLICY**

A. DDD shall honor a client’s right of access to inspect and obtain a copy of the information included in the client record for as long as the information is maintained in compliance with DSHS retention policy.

B. DDD will charge for duplicating client records at the request of the client and/or his or her legal representative as follows:

1. One request within a 12 month time period at no charge;
2. Additional requests within the same time period up to 20 pages at no charge;
3. For any requests during the same time period exceeding 20 pages, a maximum of $0.15 per page or the actual cost of reproduction, if not a standard black and white photocopy;
4. Postage will be charged at actual cost and documents will be sent by either registered or certified mail if they contain protected health information. DDD staff may give the requestor the option of picking up the documents to avoid paying for mail delivery.
5. DDD may waive copying and postal fees if:
