TITLE: OFFENDER RE-ENTRY COMMUNITY SAFETY PROGRAM

PURPOSE

This policy establishes guidelines for Division of Developmental Disabilities (DDD) staff involved in pre-release planning, community transition, and overseeing special funds available to participants enrolled with DDD who are designated as participants in the Offender Re-entry Community Safety (ORCS) Program per RCW 72.09.370.

Note: The ORCS Program was formerly known as the Dangerous Mentally Ill Offender (DMIO) Program.

SCOPE

This policy applies to DDD staff working with division clients who are participants in the ORCS Program.

DEFINITIONS

Offender Re-entry Community Safety Program participant means an individual with a diagnosed mental disorder who is reasonably believed to be dangerous to self or others and who has been selected by the Department of Corrections (DOC) ORCS Program Statewide Review Committee to participate in the ORCS Program.

Program Participant means a client enrolled with DDD who is participating in the ORCS Program.

   a. Coordination of mental health services;
   b. Assistance with unfunded medical expenses;
