BACKGROUND

People who live at the Residential Habilitation Centers (RHCs) operated by the Division of Developmental Disabilities (DDD) are guaranteed the identical rights of all citizens. Each RHC must have an ongoing oversight group to guard the rights of people living there. The RHC Human Rights Committees (HRC) are designed to fulfill this responsibility. HRCs are composed and operating according to federal regulations and DDD policy.

PURPOSE

This policy specifies a process to assure protection of the rights of residents at the RHCs.

SCOPE

This policy applies to all RHC Human Rights Committees.
POLICY

A. Each RHC Superintendent must appoint and maintain an active Human Rights Committee (HRC) to review, approve as appropriate, and monitor issues pertaining to client rights.

B. HRC Membership

1. The Superintendent shall appoint members to the HRC for one three-year term, with the option of one three-year renewal. An additional term may be approved by the Division Director. Vacancies will be filled for the remainder of the term of the position.

2. DDD and the RHC Superintendent must solicit applications from clients, family members, advocacy groups, DSHS staff not assigned to the RHCs, and community members at large.

3. The committee membership will represent the following groups; clients, parents or legal representatives of clients, RHC staff or former RHC staff, other DSHS staff, advocates, and citizens at large who are not connected with the RHC.

4. Every effort will be made to balance membership by having the following representation:

   a. One-third (1/3) clients and family members;

   b. One-third (1/3) community members or other DSHS staff; and

   c. One-third (1/3) RHC staff or former RHC staff.

   Each RHC will maintain documentation that demonstrates efforts to recruit membership from each representative group.

5. Appointments shall be made in writing with a copy to the committee chair.

6. Upon appointment, all committee members must sign a confidentiality statement, which will be kept on file. Members are responsible to follow confidentiality rules regarding client information. Failure to maintain client confidentiality will be grounds for rescinding committee appointments.

7. The HRC members will select the chairperson (or co-chairs if desired); from the non-DSHS staff who will serve for a one-year term and may be re-elected, depending on the vote of the committee.
8. A quorum which includes at least one member of the three identified representative groups must be available for the committee to conduct business.

9. The chairperson shall submit written minutes to the Superintendent on all matters acted upon by the committee within two (2) weeks of the meeting or sooner if there is an urgent issue. Committee meeting records will include written documentation of the committee’s review and decisions.

10. Sustained absences, without notice, is potential grounds for termination of membership.

1. Be registered as volunteers and successfully pass a criminal history background check per DSHS/ADSA policy;

2. Receive orientation regarding HRC committee responsibilities and specific member responsibilities prior to their first HRC meeting;
