BFET Field Operations

Opening
Review the agenda items that will be covered in the meeting

The Case Audit report for FFY 23 is different from the past FFYs. This is a comprehensive report looking at all parts of case management: selecting components, entering client notes and updating employment.

This will be a high-level overview of the report. BFET Ops staff is available to review the report with you in detail and answer all your questions.

The goal of the report is to provide a complete analysis of case accuracy of key data metrics.

The report has multiple tabs that analyze different elements of the case audit.

New Case Audit Report

Correcting Case Errors

Finding Overdue Components

Finding Overdue Components process

New eJAS Components

We're changing how you send Eligibility Lists to the BFET Operations Team.

The secure portal is causing problems with opening attachments. So we're going to stop using the spreadsheet and communicate everything through the body of the email.

Fiscal Updates

73- Becoming Best Stewards
74- Today's Topics review
75- Closing slide

Congratulations to ANEW who was announced as Washington States Organization of the year, by the Washington State Leadership Board

Poll #1

Since the new referral process began (mid-January), how many newly enrolled BFET participants informed you they were referred from DSHS?

- A. None
- B. 1-5
- C. 5-10
- D. More than 10

*Note – We anticipate an increase in referrals from DSHS through the new referral process.

- 1) It would be helpful to ask new participants how they were referred to your agency.
- 2) Let your program manager know if you are reaching capacity.
- 3) Then notify your program manager when you can start taking new participants again.

Poll #2

When should you update the Skill Gains & Credential screen?

- A. When a skill or credential has been gained, and the Vocational Education component is closed with “CS”
- B. When a participant earned a certificate in their pursuit of a degree, but the Vocational Education component is closed with “IC” due to BFA closing before the degree was earned
- C. When a participant has successfully completed job search training activities, and are ready to move into Supervised Job Search.
- D. **All of the above (correct answer)**

Success stories confirms our work is transforming lives! We would like more success stories to highlight! Please send them to SWBFETPolicy@dshs.wa.gov

Save the date! June 6th from 9am-12pm is our next Quarterly Provider’s Meeting.

DSHS provides notices to the first three points of contact on our list for your agency. Please forward to any of your staff.

If you have a best practice or specialty presentation for a future meeting. (Around 10 minutes) we can learn from each other, please send to billie.malcolm@dshs.wa.gov

Our survey shows that success stories are important to showcase! Please send any success stories to SWBFETPolicy@dshs.wa.gov.

Partnering Together in Transforming Lives
