## HOME INTERVIEW BY FRAUD EARLY DETECTION (FRED) INVESTIGATORS

### Notice of Rights

DSHS FRED investigators investigate people suspected of receiving benefits they should not get. Sometimes investigators go to people's homes.

You do not have to talk to an investigator. You do not have to let an investigator into your home unless the investigator has a search warrant. Also, if you want to, you can ask an investigator to come back at another time.

You will not be denied benefits just because you refused to talk to an investigator or because you refused to let an investigator into your home.

You have the right to an interpreter or translator if you need one. One will be provided at no expense if you cannot afford it.
