

HOW WILL YOU CHANGE THE WORLD?

***August is Child Support
Awareness Month. Let's celebrate!
Show us what children can
achieve when they are cared
for and supported.***

**Is your child a budding artist or photographer?
We are hosting an art contest.**

Please send your child's work that answers the question, "How will you change the world?" Works are best received in a high-resolution JPEG format and emailed to dcscontests@dshs.wa.gov.

The contest is open to all children up through age 17. Submissions are accepted through August 15. Selected artwork will be featured in the 2023 DCS Kids Sticker Calendar and will be available fall 2022.
