Request for Conference Board

(WAC 388-14A-6400)

Instructions

To request a Conference Board, complete this form and return it to the Division of Child Support (DCS) at the address or Fax number listed below. Instead of using this form, you may contact DCS and make an oral request for a Conference Board. Except for your signature, print all responses. Use blue or black ink. Attach additional pages if needed.

I have a dispute with DCS. I tried to resolve my dispute with DCS staff. I request a Conference Board because:

I understand that:

- 1. A Conference Board tries to resolve complaints informally. A Board cannot modify a court order. A court does not review a Board's rulings.
- 2. This is not a request for an adjudicative proceeding (hearing) under the Administrative Procedure Act (Chapter 34.05 RCW). A Conference Board does not take the place of any other right I have to a hearing. This request will not stop DCS from taking collection actions.
- 3. I may represent myself or have someone else represent me. DCS will not pay my costs.
- 4. DCS may send a copy of this request to the other party to my child support case. DCS will remove my address from the copy sent to the other party.
