Automatic Payment Authorization and Electronic Funds Transfer Information

What is automatic payment authorization?
Automatic payment authorization is your permission for the Division of Child Support (DCS) to deduct child support from your checking or savings account by Electronic Funds Transfer (EFT).

1. You choose the date or dates of the month DCS takes the deductions. You cannot schedule deductions based upon a day of the week.
2. If a deduction day falls on a Saturday, Sunday, a bank holiday, or a state holiday, DCS will deduct the payment on the following business day.
3. If a deduction day falls on the last day of the month, and that day is a Saturday or Sunday, DCS will deduct the payment on the last business day of the month. DCS will apply the payment to your case on the day the deduction occurs.

An EFT deduction cannot replace federally mandated income withholding. If your case requires DCS to establish income withholding, we will continue to do so.

What happens next?
Your Support Enforcement Officer may need to approve your automatic deduction.

DCS will confirm your bank account number.

You will receive a letter confirming the beginning date and the deduction amount.

It may take up to 30 days to set up the deduction.

You must continue making child support payments until the deduction begins.

What if my bank does not honor the automatic deduction?
If your bank does not honor a deduction because of insufficient funds, a stop payment, or a closed account, DCS will cancel future automatic deductions from your bank account. If you think your bank will not honor a deduction, call DCS immediately at 800-468-7422.

How do I stop or change the automatic payment?
You must call DCS headquarters at 800-468-7422 to stop or change the deduction.

Only DCS can stop or change a deduction, the bank cannot.

1. Allow at least 10 days to stop or change a deduction. DCS may not be able to stop or change a deduction if we are not notified at least 10 days prior to the scheduled payment date.
2. Your bank cannot stop or change the deduction.
