Child Support Direct Deposit and DCS Card

How to receive child support payments more conveniently

Transforming lives

Direct deposit

Direct deposit is a secure and convenient way to receive child support payments. Direct deposit of child support payments allows the Division of Child Support (DCS) to send money electronically to a parent's checking, savings account, or to the DCS Card.

How does it work?

When a payment is posted to your child support case, DCS electronically tells your bank to credit your account. The payments are deposited to your account within three business days after DCS posts the payments to your case.

How do I sign up for Direct Deposit, a DCS Card or change my current Direct Deposit bank account?

- Fill out and return this form to DCS (U.S. postage is required).
- You can register online at www.dconline.dshs.wa.gov to submit an electronic authorization request.
- You can call us at 800-468-7422 to have a DCS Card or Direct Deposit Authorization Form mailed or emailed to you.
- You can print the form from the following website and send it to us: www.dshs.wa.gov/sites/default/files/publications/documents/22-078.pdf

When will my direct deposit start?

It takes about 20 days from the date we receive your authorization for DCS to set up the deposit with your bank. DCS mails a notice telling you when the deposit starts.

How do I know I have a payment?

DCS mails a Disbursement Statement for any month that a payment posts to your case. You may also call 800-442-KIDS or register on our website at www.dconline.dshs.wa.gov to view payments and sign-up for email notifications.

Please update my address in the child support system to the one listed above

To increase efficiency, child support payments can be sent by Electronic Funds Transfer (EFT) directly to your checking or savings account or to a DCS Stored-Value VISA debit card called the DCS Card. The DCS Card can be used at millions of locations where VISA is accepted or at an ATM machine. You do not need to qualify for a VISA card or have your own bank account to get a DCS Card. You will get more information about how the DCS Card program works when your card is mailed to you.

For your added security and convenience, please choose one of the options above. To receive your child support payments electronically, sign and return this form to DCS, P.O. Box 9010, Olympia, WA 98507-9010, or fax it to 360-664-5109. In most cases, child support payments are available in your bank account or on your DCS Card within three business days after DCS applies them to your case. For more information about electronic payments, you may call 1-800-468-7422 or visit our website: www.dshs.wa.gov/dcs

If direct deposit does not work for you, you can ask for a DCS VISA debit Card. You do not need to have a bank account to get a DCS Card.
